PREMIUM MICROFIBER FLEECE & QUILTED BLANKETS

Stay warm and comfy with these Earthlite Premium Microfiber Blankets made from a light weight velvety soft 100% polyester. Our easy care, machine-washable materials are an excellent choice for any spa. Microfiber is well-known to be hypoallergenic and durable, besides getting softer wash after wash. These reversible blankets are also designed not to shed or pill, ensuring many years of comfort and softness. Earthlite's super soft and undeniably snuggly Microfiber Blankets will keep your customers warm and comforted all season long.
