

CARRY CASES

TABLE PROTECTION & TRANSPORTATION

Protect your investment with our heavy-duty nylon constructed case to guard against bumps and scrapes. It has a comfortable padded shoulder strap, which allows you to balance the weight of the table evenly between your shoulder and opposite arm. Created for Earthlite portable massage tables, they are designed to both protect your table and carry additional supplies.

Professional Carry Case

The Professional Carry Case is constructed of heavy-duty materials with a padded shoulder strap and reinforced bottom. It features a large pocket and convenient internal accessories pouch to hold all of your essential supplies and accessories; sheets, table warmers, oils, crèmes, and bolsters. Available sizes: 28", 30", 32", 35".

Features:

- Double Handles
- Padded Shoulder Strap
- Rugged 1800 Denier Material
- Heavy-Duty Zipper Pulls
- Large Accessories Pouch
- Hand Strap
- Internal Accessories Pouch: 17.5" W x 7 ¾" H
- Padded Reinforced bottom
- Business Card Holder
